## PROGRAM REVIEWS

The BYM 2020 Summer Entrepreneurship Camp was an amazing experience. I got to meet new people, but along with that I learned crucial information that I would need when I start my business. This camp helped me start a business plan and become an entrepreneur at a young age.

*- Lavelle Francis, 15 (Summer 2020 BYM Grant Winner from Florida)*

I learned so many new things and even created an business idea

*- Gaby Mateo, 15 (Summer 2020 BYM Grant Winner from Long Island, NY)*

This was a perfect program because unlike how other programs demand you change your ideas to their agendas, BYM improves upon ideas that we already have.
